high level visits from time to time. The matter was taken up by our Prime Minister with the Pakistan Prime Minister during the latter's visit to Delhi from November 23-24, 2004 and also during the visit of President Musharraf to India from April 16-18, 2005. However, Pakistan has never acknowledged the presence of any Indian Prisoners of Wars in its jails.

In pursuance of the efforts of locating Indian Prisoners of Wars, the Government took up the matter with Pakistan Government for sending a delegation of the families of the missing defence personnel on a visit to various jails in Pakistan to facilitate identification of Indian Prisoners of War but this has not been accepted by Pakistan. A similar delegation had visited Pakistan in September, 1983 but it was given limited access and could not locate any Indian Prisoners of War.

Various proposals including setting of a special cell to look into the matters of Prisoners of Wars in Pakistan have been received, but would be useful only if Pakistan agrees to engages in further discussions on the issue.
